**WHAT IS A FOOD THAT SOMEONE
MAKES — OR USED TO MAKE —
FOR YOU THAT YOU LOVE?
WRITE A LITTLE BIT ABOUT IT.**

"Dunbar had no cafeteria until 1948. We either used a classroom to eat our lunches, which we brought from home, or ate them on the playground. The mother of one of Dunbar's students, Mrs. Warrior, cooked a special lunch for the students on Thursdays. She would cook chili beans, cornbread and a salad. Almost everyone loved her chili beans and almost everyone reminded their parents not to make their lunch and would pay their five-to-ten cents for those delicious beans."
